

Colourful Easter cheese board

Ingredients

- 1 Henri Willig lavender cheese
- 1 Henri Willig green pesto cheese
- 1 Henri Willig organic Jersey cheese
- 1 Henri Willig extra old sheep's cheese
- 1 Date/Balsamic dip

Preparation

Beautiful cheeseboard inspiration for Easter!

Our firm tip for a creative cheeseboard; cut the different cheeses in various ways.

On this cheese board:

- Shaved slices of lavender cheese
- Dots of aged sheep's cheese
- A rose of organic Jersey cheese
- Sliced slices of Green Pesto cheese
- Crackers
- Tomato
- Passion fruit
- Pistachios
- Balsamic dip

The pretty flower shape was created by slicing the organic jersey cheese and placing all the slices in a round dish around each other, giving that pretty effect!

The green pesto cheese was cut into wedges and placed placed in another dish.

This way, your cheese board is playful and just a little bit different than usual!
